Romance of the Three Kingdoms 12 is the latest and possibly the final part of Cui's romance series The Three Kingdoms. It was released in Japan in February 2012 on PC. Koei has not made any plans to release the game overseas. In December 2012, a version of the Wii you and PlayStation 3 was released in Japan. The game is designed to be played on a low-end PC and has a simple 2D map of the world, 2D cities and 2D battles. The game can also be played on touch screens and tablets. There are 481 characters in this game, which is much less than in the Novel of the Three Kingdoms XI, but all the characters have new (high-quality) portraits, which was not in the XI.
